

## Acceptable Usage Policy (AUP)

Rendili Limited's Acceptable Usage Policy consists of the following:

- Spam Policy
- Intellectual Property Violations
- Adult Content Policy
- CGI Policy
- Defamatory or Abusive Language
- Forging of E-mail Headers
- Illegal or Unauthorised Access to Other Computers or Networks
- Background Running Programs
- Distribution of Internet Viruses, Worms, Trojan Horses or Other Destructive Activities
- Facilitating any Violation of this AUP
- Other Illegal Activities
- Other Activities

### Spam

Sending unsolicited and/or bulk e-mails over the internet. This Policy is not only due to the negative effects of such activity, but to the harmful effect it can have on Rendili's infrastructure and that of our suppliers. If a complaint is received, Rendili has the right to determine whether the recipient was part of an opt-in e-mail list.

### Intellectual Property Violations

Engaging in any activity which violates or infringes the intellectual copyright of any individual, organisation or other entity. This includes, but is not limited to Trademarks, Copyrights and Patents.

### Adult Material

Rendili does not permit websites which contain frontal nudity of men or women. Rendili does not permit websites which derive their revenue in part or in total from adult content (this includes the selling, marketing, advertising or displaying of any product related to adult content) Rendili does not permit websites which include revenue generating hyperlinks to any websites which derive their revenue in part or in total from adult content

### CGI

The use of CGI programs which use excessive amounts of system resources and which results in degraded server performance. Rendili shall be the sole arbiter of what constitutes degraded server performance. Examples of such CGI programs include but are not limited to chat rooms and bulletin boards.

### Defamatory or Abusive Language

Using the Service to transmit or post defamatory, harassing, abusive or threatening language or literature.

## Forging of Headers

The use of e-mail headers which mislead, misrepresent, hide or mask the true originator of the message.

## Illegal or Unauthorised Access to Other Computers or Networks

Any attempt to access illegally or without authorisation any computers, accounts or networks belonging to a third party or attempting to circumvent or penetrate security measures which are in place to prevent unauthorised access to aforementioned.

## Background Running Programs

The use of any background program which may interfere with normal server operation. Rendili shall be the sole arbiter of what constitutes a violation of this policy.

## Distribution of Internet Viruses, Worms, Trojan Horses or Other Destructive Activities

Distribution of information regarding the creation of and sending of Internet Viruses, Worms, Trojan Horses or Other Destructive Activities. Also activities that disrupt the use of or interfere with the ability of others to effectively use the network or any other connected network, computer, system or service.

## Facilitating any Violation of this AUP

Advertising, transmitting or any attempt to promote means to violate this AUP.

## Other Illegal Activities

Engaging in activities that are deemed to be illegal and which include, but are not limited to credit card fraud schemes, pirate software and pyramid schemes.

## Other Activities

Engaging in any activities which Rendili deems to be harmful to its clients, reputation, goodwill or customer relations.
